- Dr Chris Chiodo, Boston
(USA)
- Mr Neel Mohan
(Kingston, London)
- Mr Venu Kavarthapu
(St. Georges, London)
- Mr Paul Hamilton
(Epsom, Surrey)

This one day course is aimed at orthopaedic trainees who wish to gain specific knowledge regarding the management and techniques for fixation of fractures around the foot and ankle. This will include the surgical treatment of Pilon, Talus and Lis Franc type injuries and the management of paediatric foot and ankle fractures.

The structure of the course involves lectures, case discussions and dry bone workshops.

Please contact Lynn McCarthy, lynn.mccarthy@kingstonhospital.nhs.uk.

Course limited to 18 places. Course fee £80 (includes lunch, refreshments and course Materials). Please make cheques payable to 'Orthopaedic Ward Fund.'
